Islamic Ideology and it's Importance

- **Islamic View of God (*Allah s.w.t*)**
- **Islamic View of Universe**
- **Islamic Concept of Man as Allah's Vicegerent on Earth**
- **Characteristics and Impact of Islamic Ideology**

Objectives of the lecture

- To know the Islamic view of God (Allah *s.w.t.*)
- To pinpoint Islamic View of this universe
- To understand the Islamic concept of man as Allah's vicegerent on earth
- To recognize the characteristics & impacts of Islamic ideology
- To comprehend the impact of Islamic ideology

Islamic view of God (Allah s.w.t.)

Everything has creator in this world, So we believe that only Allah is the creator and provider of this universe, Tawheed is a revolutionary concept and constitutes the essence of the teachings of Islam. It means that there is only one supreme Lord of the universe. He is omnipotent, omnipresent and the sustainer of the world and of mankind.

(The Islamic Vision of Life, Vol. II, Page:78-82. By Khurshid Ahmad)

As Allah says in Quran:

"اللَّهُ خَالِقُ كُلِّ شَيْءٍ وَهُوَ عَلَى كُلِّ شَيْءٍ وَكِيلٌ"

Allah is the Creator of everything and over everything He is the Guardian. (az zumr-62/39:62)

"أَمْ خُلِقُوا مِنْ غَيْرِ شَيْءٍ أَمْ هُمْ الْخَالِقُونَ"

Have they been created without a Creator? (At-tuur-35/52:35)

Islamic view of God (Allah s.w.t.)

- Allah has created mankind
- Allah bestowed upon them their means of living
- Allah can give life to them and can take it from them
- we can say this is the Monotheism of Allah in His deeds
- He is the Creator and the Provider

إِنَّ اللَّهَ لَهُ مُلْكُ السَّمَاوَاتِ وَالْأَرْضِ يُحْيِي وَيُمِيتُ ۚ وَمَا لَكُمْ مِّنْ دُونِ اللَّهِ مِنْ وَلِيٍّ وَلَا نَصِيرٍ

Verily Allah Unto Him belongs the dominion of heavens and the earth, He gives life and he causes death. And besides Allah you have neither any walee (protector or guardian) nor any helper. (surha Tavoba -09/116)

(The Islamic Vision of Life, Vol. II, Page:78-82. By Khurshid Ahmad)

Islamic view of God (Allah s.w.t.)

"قُلْ مَنْ يَرْزُقُكُمْ مِنَ السَّمَاءِ وَالْأَرْضِ أَمَّنْ يَمْلِكُ السَّمْعَ وَالْأَبْصَارَ وَمَنْ يُخْرِجُ الْحَيَّ مِنَ الْمَيِّتِ وَيُخْرِجُ الْمَيِّتَ مِنَ الْحَيِّ وَمَنْ يُدَبِّرُ الْأَمْرَ فَسَيَقُولُونَ اللَّهُ فَقُلْ أَفَلَا تَتَّقُونَ."

Ask them: Say: "Who is it that sustains you (in life) from the sky and from the earth? or who is it that has power over hearing and sight? And who is it that brings out the living from the dead and the dead from the living? And who is it that rules and regulates all affairs?" They will soon say, "Allah". So say, "Then will you not fear Him?" (Yunas-31/10:31)

لَوْ كَانَ فِيهِمَا آلِهَةٌ إِلَّا اللَّهُ لَفَسَدَتَا فَسُبْحَانَ اللَّهِ رَبِّ الْعَرْشِ عَمَّا يَصِفُونَ.

Had there been therein (in the heavens and the earth) gods besides Allâh, Then Verily both would have been ruined. Glorified be Allâh, the Lord of the Throne, (High is He) above what they attribute to him!

(Al Anbiyya-22/21:22)

(The Islamic Vision of Life, Vol. II, Page:99-106. By Khurshid Ahmad)

Islamic view of God (Allah s.w.t.)

Allah said,

“وَلَقَدْ بَعَثْنَا فِي كُلِّ أُمَّةٍ رَسُولًا أَنْ أُعْبُدُوا اللَّهَ وَاجْتَنِبُوا الطَّاغُوتَ” سورة النحل: 36.

{For We assuredly sent amongst every People a messenger, (with the Command), "Serve Allah, and eschew/avoid Evil},

- It is the obedience of Allah, In doing what He has ordered through His Messengers.
- “Worship is a collective name for all what Allah likes and pleases at among actions, sayings and deeds apparently and concealed”.
- All forms of worship must be directed only to Allah because He alone deserves to be worshiped, and it is He alone who can grant benefit to man as a result of His worship.

All Messengers were sent to admit Tawheed Al-Ulooheeyah (Islamic Monotheism for Allah's Worship), and to call their people for the Monotheism of Allah in worship and avoiding worshipping Tawagheet and statues.

<https://tafheemulquran.org/tafhim/al-baqarah/> page: 195-197.

Islamic view of God (Allah s.w.t.)

Allah said in the Quran;

”إِنَّ اللَّهَ رَبِّي وَرَبُّكُمْ فَاعْبُدُوهُ هَذَا صِرَاطٌ مُسْتَقِيمٌ“ سورة آل عمران: 51.

{It is Allâh Who is my Lord and your Lord; then worship Him. This is a Way that is straight}, Allâh has ordered His Prophet Muhammad PBUH to say to the people of the Book:

”قُلْ يَا أَهْلَ الْكِتَابِ تَعَالَوْا إِلَى كَلِمَةٍ سَوَاءٍ بَيْنَنَا وَبَيْنَكُمْ أَلَّا نَعْبُدَ إِلَّا اللَّهَ وَلَا نُشْرِكَ بِهِ شَيْئًا وَلَا يَتَّخِذَ بَعْضُنَا بَعْضًا أَرْبَابًا مِنْ دُونِ اللَّهِ“ سورة آل عمران: 64

“Say (O Muhammad r): "O People of the Book! Come to common terms as between us and you: that we worship none but Allâh; that we associate no partners with Him; that we erect not, from among ourselves, Lords and patrons other than Allâh},

<https://tafheemulquran.org/tafhim/at-taubah/> page: 189-190.

يَا أَيُّهَا النَّاسُ اعْبُدُوا رَبَّكُمُ الَّذِي خَلَقَكُمْ وَالَّذِينَ مِنْ قَبْلِكُمْ لَعَلَّكُمْ تَتَّقُونَ“ سورة البقرة: 21.

{O you people! Adore your Guardian Lord, Who created you and those who came before you, that you may have the chance to learn righteousness.}

Islamic view of God (Allah s.w.t.)

Names of Allah are all Best Names, and His descriptions are all Superior and Perfect, He says

"وَلِلَّهِ الْأَسْمَاءُ الْحُسْنَىٰ فَادْعُوهُ بِهَا"

For Allah there are the most beautiful names. So, call Him by them,(Al Iraaf-180/07:180)

Surah Ikhlas strongly confirms Tawheed,

قُلْ هُوَ اللَّهُ أَحَدٌ اللَّهُ الصَّمَدُ لَمْ يَلِدْ وَلَمْ يُولَدْ وَلَمْ يَكُنْ لَهُ كُفُوًا أَحَدٌ

Say, “He is Allah, the One .Allah, the Absolute. He begets not, nor was He begotten. And there is nothing comparable unto Him.” (Surah Ikhlasa-1-4/112)

"لَيْسَ كَمِثْلِهِ شَيْءٌ وَهُوَ السَّمِيعُ الْبَصِيرُ"

There is nothing like Him in the universe: He hears everything and sees everything.(As Shura-11/42:11)

وَلَا يُحِيطُونَ بِهِ عِلْمًا

And they cannot comprehend anything of His knowledge (Al Baqra-255/02:255)

See for detail: Islamic Civilization: Its Foundational Beliefs and Principles, Sayyid Abul A'la Mawdudi, page: 149-151.

Islamic view of the Universe

يَا أَيُّهَا النَّاسُ اعْبُدُوا رَبَّكُمُ الَّذِي خَلَقَكُمْ وَالَّذِينَ مِنْ قَبْلِكُمْ لَعَلَّكُمْ تَتَّقُونَ. الَّذِي جَعَلَ لَكُمُ الْأَرْضَ فِرَاشًا وَالسَّمَاءَ بِنَاءً ۖ وَأَنْزَلَ مِنَ السَّمَاءِ مَاءً ۖ فَأَخْرَجَ بِهِ مِنَ الثَّمَرَاتِ رِزْقًا لَكُمْ ۖ فَلَا تَجْعَلُوا لِلَّهِ أَنْدَادًا وَأَنْتُمْ تَعْلَمُونَ.

O, Mankind: worship your Lord, Who created you and those before you, so that you may ward off evil; Who has made the earth a resting place for you, the sky a canopy and Who causes water to pour down from the heavens, thereby producing fruits as food for you. So do not set up rivals to Allah, when you know better. (Qur'an 2:21-22)

The Ayat above is:

An important metaphysical concept and answers the riddles of the universe.

It points to the supremacy of law in the cosmos and the all-pervading unity behind the manifest diversity.

It presents a unified view of the world and offers the vision of an integrated universe.

It represents Allah, alone being the power behind that exists in this whole universe.

It commands us to open our minds and hearts to feel the existence of Allah among every creation He created for us.

(The Islamic Vision of Life, Vol. II, Page:9-13. By Khurshid Ahmad)

Islamic view of the Universe

- Islamic worldview reveres Allah, as the one and only God, the only creator and Supreme Lord of the universe. He is Omnipotent, Omnipresent, and Sustainer of the world and mankind. He is the Creator of the Heavens and the earth, and the Cosmic Objects, the one who gives rain and gives life to the parched land.
- This worldview emanates from the fundamental belief that life and existence came into being as a result of the will, desire and design of the One and Only Creator. The Islamic conception of God has therefore to precede any discussions on the nature of the universe and man's relation to it. Life is temporary, Death is certain and there is afterlife where, on the Day of Judgment, one will account for the period of life on earth.

(The Islamic Vision of Life, Vol. II, Page: 9,10. By Khurshid Ahmad)

Islamic Concept of Man as Allah's Vicegerent on Earth

- Islamic worldview uses the term 'Vicegerency' (Khilāfah) instead of sovereignty, in view of the fact that, sovereignty belongs to Allah alone. Anyone who holds power and rules in accordance with the laws of Allah would undoubtedly be the vicegerent of the Supreme Ruler and would not be authorized to exercise any powers other than those delegated to him.
- There is no reservation in favour of any family, class or race. No individual is inferior to other. Every believer is a Caliph of Allah in his individual capacity. By virtue of this position, he is individually responsible to Allah. In the words of Prophet Muhammad (BUHP): “Every one of you is a ruler and everyone is answerable for his subjects.” Thus, one individual is in no way inferior to another.

(The Islamic Vision of Life, Vol. II, Page: 10-18. By Khurshid Ahmad)

Islamic Concept of Man as Allah's Vicegerent on Earth

Continue...

- Man and all other creations owe their existence, to Allah alone.
- The universe is created and administered in accordance with the regulations set by Almighty Allah, known as “Laws of Nature”. Negation of the mechanical concept of universe, which claims, it a product of an accident.
- Whole universe is subservient to Man for his use and benefit.
- Life of the humankind in this world in a place of trial, on which depends his life of the Hereafter.

(The Islamic Vision of Life, Vol. II, Page: 10-18. By Khurshid Ahmad)

Islamic concept of man as Allah's vicegerent on earth

- Man is viceroy of Allah
- This explanation of the Holy Qur'an shows that man is not supreme, as he thinks, and on the other hand, he is not as low and abject as he has made himself.
- Naturally, the question arises what is the right position and status of man in this world? Islam has the answer to this question.

The Holy Quran explains:

وَإِذْ قَالَ رَبُّكَ لِلْمَلٰٓئِكَةِ اِنِّىْ جَاعِلٌ فِى الْاَرْضِ خَلِیْفَةً

(Al-Baqarah -2:30)

And (remember) when your Lord said to the angels: "Verily, I am going to place (mankind) generations after generations on earth."

Characteristics and Impact of Islamic Ideology

The characteristics of Islamic culture and ideology are:

- The Islamic ideology is Divine Ideology and all that is based upon is error free, because it has come from Allah who is all Perfect and without any flaws of any kind.

وَمَا يَنْطِقُ عَنِ الْهَوَىٰ * إِنْ هُوَ إِلَّا وَحْيٌ يُوحَىٰ.

Nor dose he speak of(his own) desire. It is only inspiration that is inspired (Surah An-Najm – 3,4/3:53)

- It is comprehensive and complete :(time, place, human and rulings)

الْيَوْمَ أَكْمَلْتُ لَكُمْ دِينَكُمْ وَأَتِمَمْتُ عَلَيْكُمْ نِعْمَتِي وَرَضِيتُ لَكُمُ الْإِسْلَامَ دِينًا

This day I have perfected your religion for you and completed My favor to you. I have approved Islam to be your religion. (Surah Al maeda– 3/3:5)

وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ

And We have not sent you(O Muhammad SAW) not but as a mercy for all the worlds. (Surah Al anmbiya– 21-107)

Characteristics and Impact of Islamic Ideology

- Combining stability and flexibility and is not at all cruelly strict.
- Islamic ideology is Dynamic. It is progressive and is perfectly applicable in every part of life, no matter the age or era.
- It places high moral values first, in all codes of conduct and activates of life.
- The teachings of Islamic Ideology are clear and guide us in every matter and problem of life.

(The Islamic Vision of Life, Vol. II, Page: 35-50. By Khurshid Ahmad)

Translation

• وَنَزَّلْنَا عَلَيْكَ الْكِتَابَ تِبْيَانًا لِّكُلِّ شَيْءٍ وَهُدًى وَرَحْمَةً وَبُشْرَىٰ لِلْمُسْلِمِينَ

• (Surah An-Nahl – 89/89:16)

- The most important aspect of Islamic ideology is that it teaches us the concept of accountability. It emphasis on the point the whatever actions we perform have consequences in this life and in life hereafter so we must keep this mind while we do anything that will have some effect on our lives.

• يَا عِبَادِيَ إِنِّي حَرَّمْتُ الظُّلْمَ عَلَىٰ نَفْسِي، وَجَعَلْتُهُ بَيْنَكُمْ مُحَرَّمًا، فَلَا تَظَالُمُوا

Sahih Muslim(2577)

Summary:

Allah is the Lord and the Sovereign of the universe, which He Alone sustains. “Worship is a collective name for all what Allah likes and pleases at among actions, sayings and deeds apparently and concealed”. All forms of worship must be directed only to Allah because He alone deserves to be worshiped, and it is He alone who can grant benefit to man as a result of His worship. He created man and appointed for each human being a fixed period of life that he is to spend upon the earth.

This promotes man to the noble and dignified position of being Allah's deputy on earth and endows his life with a lofty purpose: to fulfill the will of Allah on earth.

This will solve all the perplexing problems of human society and establish a new order wherein equity and justice, as well as peace and prosperity, will reign supreme.

It is the obedience of Allah, in doing what He has ordered through His Messengers.

It brings patience and trust in Allah. The believer puts all his mind and devotes his resources to fulfill all the Divine Commands, knowing that Allah is only one who has control over every part of his life.
